The above fees are based on the nursery offering a service for 48 weeks a year taking into closures and bank holidays.

Rates for the over threes are inclusive of the 15 hours of Tower Hamlets Nursery Education Funding –NEF–, and additional 15 hours additional funding for eligible parents. Users will be required to declare their eligibility for these funds. Minimum monthly NEF discount = £261(15hrs) & £522 (30hrs) This term time only funding is spread over the course of the 48 weeks that the service is provided, and includes all meals which the NEF does not make provision for.

Those on the QMUL payroll are eligible for further discounts via salary sacrifice (contact HR for details)

The Nursery accepts nursery vouchers from all major providers (contact your employer for details)
